

POLISH YOUR BASICS  
AND  
MASTER THE GUITAR LIKE  
NEVER BEFORE

## ABOUT ME

Somesh, a versatile guitarist from Pune with over a decade of experience, is currently delving into the world music genre with elemental fusions. His musical journey began at the age of 14 when he first held a guitar, sparking a lifelong passion for music.

With a deep understanding of music theory, Somesh's compositions have evolved significantly. Starting as an indie artist, he is now devoted to creating mesmerizing acoustic pieces that touch the soul. His music is meditative and thought-provoking, aiming to help the audience connect with their true selves. Somesh's vision is to convey emotions that inspire personal growth and spiritual awakening through the power of music.

Currently, he has geared up with his set of acoustic compositions for his debut album 'Winds of Rebirth' and is eager to touch people's souls through live performances across India.

## DESCRIPTION

Ever wondered how your favorite guitarist created that legendary music piece? Curious to learn that step-by-step breakdown, but finding it difficult to master those techniques? Here's a masterclass that will help you to not only play those techniques but also create your unique masterpiece.

If you are amazed by seeing Tommy Emmanuel play that famous Chet Atkins picking technique or gasp when you listen to Jon Gomm's legendary arrangement of passionflower, not to mention John Butler's famous 11-string guitar piece 'Ocean', and wish to master co-ordinating your vocals with Advanced fingerpicking & percussion techniques, this is the perfect course for you!

In this course, we will focus on the techniques which include Chet Atkins picking style, Advanced percussion, Two-hand tapping, Pinch harmonics, learning unique strumming patterns for multiple genres, Flamenco techniques such as Alzapúa, Rasgueado, and much more.

So, buckle up, and let's learn that musical piece that you have always dreamed of.

Master the techniques and become the guitar player you set out to be!

- Music Theory
- Fingerpicking & Percussion techniques
- Sight-reading
- Chords & Strumming Patterns
